Traditional 2-Bed. House with Pátio

Rustic house that preserves the charm of traditional Algarvian homes, located in a small village with a peaceful and authentic atmosphere. The interior of the house is laid out on a single floor and offers a cozy living room, a kitchen with a dining area, one bathroom and two bedrooms. Although it is a single-storey property, it features a few level changes that adapt to the terrain and add character to the spaces. The location is convenient and peaceful, benefiting from the proximity of a café, and the village has a community center where various sociocultural activities take place, typical of rural areas. The property has a few neighbors nearby and enjoys wide, pleasant views over the countryside. At the upper part of the plot there are small outbuildings that can be adapted according to the needs, as well as a patio ideal for enjoying the magnificent landscape of the Algarvian hills. An excellent opportunity for those seeking tranquility, authenticity and great potential.
